**Pahoia
School**

Kia ora whānau

We hope you can join us later this evening for our Open Classroom and Art Exhibition. A lot of the art you will see on display will also be used as our calendar art for those handy diaries, calendars and cards.

As we near the end of this term, our teachers are already busy planning Term 4. We start the term with our Ag Day on Friday October 18th (Week 1), which is always a great day with amazing arts, crafts, photos, costumes, cakes, and of course the stars of the show, the kids and lambs.

Throughout the rest of the busy term we have a Parent's Science Workshop, pyjama day, athletics, tabloids, class trips, wheels day, class photos, Christmas shows, and our Year 6 Leavers assembly and bbq. We are also expecting the mobile dental clinic to be on site.

However, our biggest focus for the term will be our PrEP Market in Week 8. PrEP stands for Primary Enterprise Programme and it is a full term's worth of learning about managing money, applying for a "job", making decisions, designing and producing goods, advertising, marketing, earning (pretend) income, spending, saving and working as a team member. PrEP has been a highlight for the children every time we have run it.

The Term 4 Calendar for your fridge is all ready to go out this week.

Looking past Term 4 to next year, we have selected our start date for Term 1 2020 as Monday 3rd February. A full list of term dates, teacher-only days, and statutory holidays will be available early next term.

As we get closer to the holidays, a conversation that has come up a lot recently within our classrooms and staffroom, has been the use of devices and the effect this has on children, particularly those fast paced action games that get the adrenalin running. If this is a subject that interests you, I have linked a couple of on-line articles about this topic below.

With Ag Day fast approaching, we need to get the trophies back for this year's winners.

If you have a trophy at home, could you please return it, cleaned, to the school office.

Congratulations

Mia and Connor proudly represented Pahoia School at the Year 5 and 6 North Cluster Speech Competition, held at Matahui School. They both did extremely well against some fierce competition with Connor placing 1st for the Year 5's!!!! He will now represent us at the WBOP Speech Competition in Week 10. Good Luck Connor!!!!

Endurance Fitness with the Ability to Survive Water Survival - Preventative Drowning

Year 5 Netball

Our season started off with brain storming a team contract (what our expectations were).

We had weekly practises, one in the holidays, followed by a team dinner, then watched World Cup netball.

We met after school at Katikati Primary and played a game with Katikati Magic.

We've had guest speakers at practice who were ex Pahoia pupils. They shared their netball journeys with us and showed some different skills.

We recognised what we are good at and what we need to work on. Have learnt to play as a team and how it's important that we remember we all have different roles, skills, personalities to respect.

A big season of learning, these girls are an inspiration.

Well done Pahoia Panthers.
